

7. I received a call back from Ms. Szymanski and she told me the meeting place was now changing, she was heading down to meet me and to go get a cup of coffee till she got down there. Ms. Szymanski then called and advised that we were meeting at the Grosse Pointe City Hall.

8. Ms. Szymanski was at Grosse Pointe City Hall when I arrived a little past noon. Nicole Muylaert's van with her and Carey Neeley in the passenger seat were also in the van.

9. Nicole Muylaert and Ms. Szymanski got out of their cars and Nicole Muylaert demanded that a contract be signed. Ms. Szymanski did not approach Nicole Muylaert but stated that these were MAC puppies and she would not be signing any document. Ms. Muylaert then said she was not giving us the puppies.

10. Ms. Muylaret refused to open the van for the dogs and continued to demand the document be signed. Carey Neeley was in the passenger seat also speaking loudly but I was not listening to what she was saying. The driver's door was open and I did see Ms. Neeely throw out a bunch of papers that I then started to collect along with Ms. Szymanski.

11. Ms. Szymanski then got her cellphone out and started recording everything as the screaming continued by now both Ms. Muylaert and Neely. I started to open the van door and take the puppies out and I was not going to participate in the yelling and wanted the dog transfer done.

12. I never saw Ms. Szymanski throw any pen or anything at Ms. Muylaert.

13. I was moving the dogs while Ms. Szymanski was recording and taking photos of Nicole Muylaert and the van's license plate.

14. I just moved the two (2) puppies into Ms. Szymanski vehicle.

15. I did see Ms. Szymanski take something out of her car, place it on the top of her vehicle and write on it and then go into Nicole Muylaert's van and place the document somewhere.

16. Once Ms. Szymanski entered the driver side car the screaming and yelling began again by Carey Neely and Nicole Muylaert and I just continued to make sure the dogs were being taken from Nicle Nuylaert's van into Ms. Szymanski vehicle and settled into the back of the vehicle safely for travel.

17. There was a passenger in my car parked next to Ms. Szymanski's car and once the dog's were removed we left. Nicole Muylaert did scream statement something to Ms. Szymanski out of her window as she was leaving but I do not know what it was.
